MEMORANDUM FOR: Mr. Kirkpatrick, Inspector General

Confirming my recent oral message, I wish to note for the record that Mr. Ernest Cuneo advised me by telephone that he understood that the Jenner Committee was making an investigation of an organization named Presentations, Inc., which was allegedly organized by former CIA (OSS) and State Department personnel, and was allegedly making movies on behalf of certain Communist or fellow-traveler organizations and Communist labor unions.

I told Cuneo that I had never heard of the organization but thanked him for the information and said we would look into it.
